

Looking for a cool 1 credit class
this quarter?

Check out engr199

“Women, Computing, and Collaborating”

We play with **lego robots**, find out what **pixels** are
all about and **take apart** an actual computer!

No computer experience required!

1 credit (C/NC) - Tuesdays 2:30-3:20pm

For add code: mreardon@cs.washington.edu

For more info: mercaldi@cs.washington.edu
