Draw a picture of your TA using a data structure in his/her everyday life.

For example, you could draw a picture of the TA eating a stack of pancakes.

Make sure to put the TA's name somewhere in the picture so we know who it is.

(This is not an art class, so any drawing that appears to reflect more than a few moments' effort will get the point.)

STEVEN WHITE (I love this guy)

Steven often forgets where he's supposed to go for discussion section after he has stayed up all night at a bar. ***

Oops!

His students become worried when he stumbles into class with a map stapled to his hand. ***

VAY!

*** NEVER ACTUALLY HAPPENED (AT LEAST NOT TO MY KNOWLEDGE) STEVEN HAS ONLY SPOKEN ONCE ABOUT GOING TO A BAR TO GRADE 143 HW
