CSE 403   Name_____

Handout 1   Email_____

Please answer the following questions to help us construct project groups.

1. What constraints do you have on your schedule that would limit out of class meetings with your group?

2. Would you prefer to use Java or C# for the project, or would you be equally happy with either language?

3. On a scale of 1 to 5 rate how much you like the following activities (where 5 means you like it a lot, and 1 means you dislike it):

   a. Public Speaking
   b. Writing
   c. Creating web sites
   d. Organizing people
   e. Designing Programs
   f. Programming
   g. Debugging

4. Which of the following courses have you taken (Or are taking this quarter):
   a. CSE 444
   b. CSE 451
   c. CSE 461
   If you have experience in these areas, please indicate so.
