Where shall we have lunch?

The History of every major Galactic Civilization tends to pass through three distinct and recognizable phases, those of Survival, Inquiry and Sophistication, otherwise known as the How, Why and Where phases. For instance, the first phase is characterized by the question *How can we eat?* the second by the question *Why do we eat?* and the third by the question *Where shall we have lunch?*

- The Hitchhiker's Guide to the Galaxy

Answer: "There was that one place I really wanted to try... but I forget the name. There's that one place that's really good... but I forget the cross streets. Is that the one with the good chicken?"

Enter: [Currently unnamed application]

[Enter name here] is an Android app designed to remember your "to do list" so you don't have to!

Simple version:
- categorizable personal lists (restaurants to go to, movies to watch, etc)
- integration with Google maps
- color coded pin points

Description, cont.

Advanced version:
- Simple version features, plus…
- integration with Social Networking
- dial phone number
- enter into contacts
- send recommendations
- remember favorite dishes, etc.
- integrate with other services (Redbox, Yelp, etc.)
