	Mon	Tue	Wed	Thu
8:00	wake up	wake up	wake up	wake up
9:00				
10:00	Class		Class	
11:00	Class	TA office hours	Class	
12:00				
1:00				Class

The Technical Details of P.E.N.

▶ Software Architecture

- ❖ External Software: Android App coded in Java using Android Development Kit and Android Studio, Eclipse, a form of version control, an android device, an emulator. Adobe Photoshop and Illustrator, Wacom Tablet, possibly Sai or Krita for graphics

- ❖ Toolkits: Android SDK, XML, sqlite, and other toolkits to implement the GUI

- ❖ UI to get input from the user and display graphics, a model component to handle computation (e.g. calculate stats), and a database of object (e.g. events)

▶ Alternatives / Competitive Analysis

- ❖ Habit RPG

- ❖ Pomodoro Timer Clocks

- ❖ Calendars & Schedulers

▶ Challenges to us, the makers!

- ❖ Legality

- ❖ Learning the tools

- ❖ Managing feature complexity while achieving the goal

- ❖ Having fun! ☺
