K-12 Computing Education Seminar Volunteering Log

CSE 4900/EDUC 401T Spring 2012 Facilitator: Hélène Martin

Instructions

- This log will be used to grant academic credit so it needs to be signed by someone who can verify your volunteer hours.
- Please fill in log with ink (not pencil).
- Pipeline students, please note that Pipeline does not keep tutoring logs on file. If you are an MIT student or would like a copy of your log, please make a photocopy before turning in the original.
- CSE seminar students, you are expected to do a total of 2 hours of volunteering this quarter. Log any additional hours you do as well.
