

CSE major requesting to register
for research with:

Allen School [full-time faculty](#)
and [adjunct faculty](#)

Student and research mentor must
complete agreement forms prior to
registration

CSE 496, 498, or 499

Submit research registration request
via the [MyCSE](#) tool.

Allen School [affiliate](#) or
any unaffiliated faculty

1. Students can register for graded or ungraded research or receive pay from the unit where the faculty member is housed.
2. If interested in earning CSE research credit, the student will need to find a co-sponsor in the Allen School who will be the one who signs off officially through the MyCSE portal.

Non-CSE major requesting to register for research with:

Allen School
full-time faculty
and adjunct
faculty

Allen School affiliate or
any unaffiliated faculty

CSE 499 or
CSE 498

CSE 496

1. Forward faculty permission to enroll in CSE 499 or CSE 498 to ugrad-adviser@cs.washington.edu.
2. A faculty code will be sent to you to enroll in CSE 499 or CSE 498.

Cannot enroll in CSE
496

1. If interested in earning CSE research credit, the student will need to find a full-time faculty co-sponsor in the Allen School
2. Once a co-sponsor is found, the student can forward the co-sponsor's permission to enroll in CSE 499 or CSE 498 to ugrad-adviser@cs.washington.edu. Non-majors cannot earn CSE 496 credit.
3. A faculty code will be sent to you to enroll in CSE 499 or CSE 498.
